

Sport fishing in Québec (including salmon fishing) - April 1, 2017 to March 31, 2018 Fishing periods, catch limits and exceptions - Zone

24

The “Zone Rules” table sets out the **fishing periods** and daily catch limits for fish species of interest to sport fishers in Québec, for the selected zone. There are many **exceptions** to these fishing periods and to the catch and length limits. For further details, please see the table entitled “**Bodies of Water - Exceptions**”.

For information on fishing periods for a specific body of water :

- First check to see if the body of water is mentioned in the exceptions to the zone fishing periods;
- If not, the periods shown in the “Zone Rules” table apply.
